

## Study English in Canada Study German in Canada

### Why study in Canada?

Canada is consistently rated as one of the best countries in the world in which to live. People in Canada are well known for their kindness and for their openness to other nationalities and cultures.

Learn or improve your English / German at GSC. Our school offers classes from beginners to advanced level. Develop your English / German language skills for real situations with the help of German School Canada (GSC) special learning system. English or German Grammar is taught in a communicative manner with emphasis on using the structures orally. Communicative methodology is also used to develop your English or German Vocabulary, Idioms and Pronunciation. Your English / German grammar ability will be evaluated with a written test on the first day and then evaluated at the end of each 2 week course with a written test. The teacher will also evaluate your communicative ability.

The German School of Canada offers English (ESL) as a Second Language and residence/homestay programs, and German (GSL) as Second Language and residence/homestay programs.

Study English in Vernon, British Columbia in CANADA.

The city of Vernon and surrounding area is a safe and friendly community, located in the sunny Okanagan in south east of British Columbia.

In the summer, Okanagan lakes and rivers allow vacationers swimming, canoeing and many other activities. There are many golf courses in the area. Silver Star Mountain is known for excellent hiking, mountain biking and skiing.

ESL Students in the homestay program stay receive intensive English (ESL) or German(GSL) in a class for 15-25 hours per week from certified ESL/GSL teachers. Their lessons and vocabulary are needs based and also personalized to suit each student.

In their free time, Students are taken for [local tours](#), including wild life, heritage buildings, with ample time to learn more about the area.

Climate

\*Summer (June-August) average temperature of 22 °C

\* Winter (December-February) average temperature of 1°C
